ISRAEL STUDY TRIP

with Valley Real Life Church

After a tragic family death in 2004, **Brad Nelson** had a transformational encounter with a Jewish rabbi that launched him on a lifelong journey of understanding the Hebraic background of the Bible. He began traveling to Bible lands (Israel, Turkey, Jordan) in 2008 and has since facilitated multiple study trips and completed additional

coursework at Jerusalem University College. Brad is the Content Director at **Walking The Text** where he curates The Teaching Series, a bi-weekly podcast and video series, leads trips to Bible Lands, and serves as a faculty member for the Infusion Bible Conference. He is a national speaker, writer, and communication specialist. Prior to joining Walking The Text, Brad spent 17 years in pastoral ministry serving the local church in Grand Rapids, Michigan and planting Brick City Church in Ocala, Florida. Brad has a Bachelor of Arts in History from Cornerstone University (Grand Rapids, Michigan) and a Masters of Divinity from Western Theological Seminary (Holland, Michigan). He and his wife Trisha live with their three daughters in Ocala, Florida.

A detailed itinerary isn't given because how you encounter something shapes the experience and the learning. If you have an idea of what's next, it isn't as impactful. Thus, you're simply invited to enjoy the journey and receive each site as a gift and surprise. But don't worry, we will visit all of the major sites during this trip. - Brad
